    1. HTML, CSS and Javascript   – 80%
    2. Upload   – 20%
                                        100%

Individual Project Rubric –HTML, CSS and Javascript EVALUATION FORM

Total Mark : 5% (PLO2,CLO2)

HTML,CSS and JavaScript (80%)   Upload(20%)

Category	1	2	3	4	Score
Layout/Design (20%)	The pages are unattractive. Text is difficult to read. The backgrounds are distracting.	The pages appear "busy" or "boring". Text may be difficult to read. The backgrounds are somewhat distracting.	The pages are eye-catching and attractive. Text is easy to read. The backgrounds are subtle and appropriate.	The pages are well organized with tables. Text spacing and alignment make reading easy. The backgrounds enhance the page.	
Graphics (20%)	There are no photos, icons or clip art or they are inappropriate or of low quality.	Photos are blurry or fuzzy; icons and clip art do not "fit" with the topic. Too many pictures make the download time slow.	Photos, icons, and clip art are appropriate, of high quality, and download fairly quickly.	Photos, icons, and clip art are used creatively and may follow a theme.	
Information (20%)	Information is poorly written, inaccurate, or incomplete.	Information could be better written and too much information is given in each section.	Information is well written and interesting to read and is presented in short sections.	Information is creatively written and cleverly presented.	
Navigation/Links (10%)	The user may become lost or links may be missing or not working.	The user may become confused when navigating between pages. Some links may not work.	Links are consistent and easy to find so that the user can easily navigate back and forth through pages.	Links are created with images and icons to enhance the text links.	
Creativity (10%)	Minimal effort. Poor layout/design. Did not incorporate required attributes, graphics, did not resize pictures, inappropriate graphics.	Was clever at times; incorporated most of the attributes; used a limited variety of appropriate graphics.	Was well done and interesting to the audience; added a few original touches to enhance the project; used a good variety of appropriate graphics.	Was extremely clever and presented with originality. Excellent layout/design work incorporating all required attributes, great variety of appropriate graphics that enhanced the pages.	
Upload (20%)	URL is given but only the main page or minimal page are accessible	URL is given on the submission and only some files/page are accessible	URL is given on the submission and most files/page are accessible	URL is given on the submission and all files/page are accessible
